

## Initiatives for a Better Society

To contribute to the betterment of society, the Resona Group is engaging in various social contribution activities and providing educational programs that promote financial and economic literacy.

### Initiatives to Provide Financial and Economic Education

So far, approximately 37,000 elementary school students have completed either Resona Kids' Money Academy (since 2005) or Mirai Kids' Money Academy (since 2018). Also, we launched Teens' Money Academy for junior high school students as part of efforts to offer more practical educational opportunities for learning finance and economy to each age group.

### “Re: Heart Club” Run by Employee Volunteers

To show our gratitude to regional societies, employee volunteers participate in various local events and activities. This is one way Resona Group members contribute to regional vitalization and the promotion of sports and cultural activities in a manner optimized to help address issues individual communities are confronting.

### “The Resona Foundation for Future”

The Resona Foundation for Future, through which the Resona Group contributes funds, provides scholarships, organizes exchange events involving camping programs, track and field classes and other activities. In addition it provides single-parent households with face-to-face specialist consultation for job seekers. These activities help ensure that each child is allowed to realize their potential regardless of their economic status.

#### A Graduation Party for “Resona Foundation for Future Scholarship Program”

So far, the program has provided 180 scholarships and 87 scholarship recipients have graduated. In March 2019, a graduation party was held for the most recent graduates to meet with, and receive encouragement from, the previous year's recipients.

#### Hosting a Track and Field Class

In collaboration with the Athlete Society, we held a track and field class, utilizing donations made by Group banks via Nationwide Private Placement CSR Bonds—the SDGs Promotion Fund.
