SASB INDEX https://www.resona-gr.co.jp/holdings/english/sustainability/data/sasb/index.html

The Resona Group has striven to upgrade its information disclosure in line with recommended standards issued by the U.S.-based Sustainability Accounting Standards Board (SASB).

Based on this approach and in accordance with SASB industry classifications, the Resona Group hereby discloses certain items

defined under the categories of Asset Management & Custody Activities, Commercial Banks, Consumer Finance and Mortgage Finance in light of their particular relevance to designated business areas. Looking ahead, we will strive to further enhance the content of information disclosure.

The letters at the beginning of the code assigned to each item bear the following meanings.
FN-AC: Asset Management & Custody Activities; FN-CB: Commercial Banks; FN-CF: Consumer Finance; CF-MF: Mortgage Finance

Accounting Metrics Category Unit of Measure **Data Security** In line with its Cyber Security Management Declaration, the Resona Group aims to strengthen its

Description of approach to identifying and addressing data security risks	Discussion and Analysis	-	FN-CB-230a.2 FN-CF-230a.3	cyber security measures under top management's initiative and thereby counter cyber threats that have become ever more serious and sophisticated. Furthermore, the Group strives to address risks arising from cyber vulnerability and, to this end, based on its Personal Information Protection Declaration, it regularly reviews, updates and improves its policies, organizational structure and rules aimed at ensuring the proper handling of information as well as initiatives aimed at ensuring the reliable protection of information.  Declaration of Cyber Security Management https://www.resona-gr.co.jp/holdings/english/about/governance/cybersecurity/index.html  Personal Information Protection Declaration https://www.resona-gr.co.jp/holdings/other/privacy/hd.html#j1 (Japanese only)
Financial Inclusion & Ca	pacity Bui	lding		
(1) Number and (2) amount of loans outstanding qualified to programs designed to promote small business and community development	Quantitative	Millions of yen	FN-CB-240a.1	Since the SASB definition of "programs designed to promote small business and community development" is based on the laws and regulations of the United States, we disclose alternative information based on the laws and regulations of Japan.  In Japan, SMEs are defined as businesses whose capital amounts to ¥300 million or below (¥100 million in the case of the wholesale industry and ¥50 million in the case of retail, restaurant and goods leasing industries) or businesses with a total of 300 employees or fewer (100 in the case of wholesale and goods leasing industries and 50 in the case of retail and restaurant industries).  Balance of loans to SMEs (total of Group banks; as of March 31, 2024): ¥33,796.4 billion  Resona Group Disclosure Book 2024 Data Edition Resona Bank: p. 134; Saitama Resona Bank; p. 243; Kansai Mirai Bank; p. 393; Minato Bank; p. 480  https://www.resona-gr.co.jp/holdings/investors/ir/disclosure/pdf/24/hd.pdf (Japanese only)
Number of participants in financial literacy initiatives for unbanked, underbanked, or underserved customers	Quantitative	Number	FN-CB-240a.4	As defined by SASB, the "unbanked" have no bank accounts at all, the "underbanked" have bank accounts but usually use non-banks for financing, and the "underserved" cannot receive sufficient financial services, definitions that are in line with U.S. laws and regulations. We disclose corresponding information based on Japanese laws and regulations.  The Resona Group provides financial and economic education for elementary, junior high and high school students who will lead future generations so that they can acquire monetary literacy in a fun way. Employee Diversity & Inclusion										
Percentage of gender and racial/ethnic group representation for (1) executive management, (2) non-executive management, (3) professionals, and (4) all other employees	Quantitative	%	FN-AC-330a.1	The Resona Group is promoting diversity & inclusion to achieve value creation supported by diversemployees who strive to understand each other's differences in ways of thinking, respect and in spire one another and proactively incorporate new ideas from their peers.  To this end, the Group has introduced a variety of programs aimed at helping women achieve career success and encouraging employees to embrace diverse working styles. As a result, the ratio of women in the overall number of directors at Resona Holdings is 25.0%. Moreover, the ratio of women in the total headcount is 48.8% for Group banks (Resona Bank, Saitama Resona Bank Kansai Mirai Bank and Minato Bank). In addition, the ratio of female line managers is 32.8% for Resona Bank, Saitama Resona Bank, Kansai Mirai Bank and Minato Bank. As of June 2023, the ratio of people with disabilities is 2.45%. Incorporation of ESG fa	ctors in the	e Inves	stment Mana	gement & Advisory
Description of approach to the incorporation of environmental, social, and governance (ESG) factors in investment and/or wealth management processes and strategies		-	FN-AC-410a.2	In line with its "Responsible Investment Policy," the Resona Group undertakes, in the course of managing trust assets, the close assessment and analysis of investees' non-financial performance, including their response to ESG issues, in addition to assessing their financial performance. By doing so, the Group encourages investees to work to improve their corporate value and achieve sustainable corporate growth on a medium- to long-term basis.  Chapter 1 (pp. 8–15) of Responsible Investment Section, SUSTAINABILITY REPORT 2023/2024 issued by Resona Asset Management Co., Ltd. https://www.resona-am.co.jp/investors/pdf/sus_report2023-2024en.pdf
Description of proxy voting and investee engagement policies and procedures	Discussion and Analysis	_	FN-AC-410a.3	The Resona Group is aware of its responsibilities with regard to the improvement of investees' corporate governance as well as the profound impact its investment activities can have on the environment and society as a whole. The Group also recognizes that these changes in the environment and society will affect investment performance. Taking the aforementioned factors into account, the Group has established the Global Governance Principles, which aim to provide standards for the exercise of voting rights associated with domestic and overseas stocks.  Chapter 1–5 (pp. 8–57) of Responsible Investment Section, SUSTAINABILITY REPORT 2023/2024 is such by Respons Asset Management Co. Ltd.

Financial / Non-Financial Information Initiatives to Improve Corporate Value 
Mechanisms Supporting Value Creation and Corporate Data

Accounting Metrics	Category	Unit of Measure	Code	Response				
Incorporation of ESG Factors in Credit Analysis								
Commercial and industrial credit exposure, by industry	Quantitative	Millions of yen	FN-CB-410a.1	For details regarding credit exposure by industry, please refer to page 9 in the PDF file titled "Status of Capital Adequacy/Basel Data Section (FY2023)" posted on the following section of our corporate website.  Annual Report (Status of Capital Adequacy/Basel Data Section)  https://www.resona-gr.co.jp/holdings/english/investors/financial/annual/				
Description of approach to in- corporation of ESG factors in credit analysis	Discussion and Analysis	-	FN-CB-410a.2	In line with its "Basic Stance on Lending," the Resona Group aims to contribute to the creation of a sustainable society and, to this end, is proactively assisting customers in their efforts to tackle social and environmental issues via the development and provision of products and services designed to help them address social and environmental concerns. The Group also maintains a structure and procedures aimed at properly assessing and evaluating the environmental impact of large projects and environmental initiatives undertaken by customers.  Initiatives for Socially Responsible Investing and Lending https://www.resona-gr.co.jp/holdings/english/sustainability/management/sri/				
Business Ethics								
Description of whistleblower policies and procedures	Discussion and Analysis	-	FN-AC-510a.2 FN-CB-510a.2	The Resona Group maintains a whistleblowing system comprising both in-house and external hotilines that are accessible to all employees (including those who have resigned) and their families. The Group also prohibits the detrimental treatment of whistleblowers while taking thoroughgoing measures to ensure that the content of whistleblowing is kept secret. Furthermore, the Group is promoting the use of its whistleblowing system via posters and intranet pages designed to provide employees with the overview of the system and contacts to hotlines.  Compliance Advisory Resources  https://www.resona-gr.co.jp/holdings/english/about/compliance/#01				
Systemic Risk Manager	ment							
Global Systemically Important Bank (G-SIB) score, by category	Quantitative	-	FN-CB-550a.1	As of March 31, 2024, the Resona Group has not been selected as a G-SIB.				
Description of approach to the incorporation of results of mandatory and voluntary strees tests into capital adequacy planning, long-term corporate strategy, and other business activities		-	FN-CB-550a.2	The Resona Group believes that in order to maintain sound and stable business operations, securing sufficient capital to cover risk is extremely important. Based on this belief, the Group is engaged in capital management aimed at maintaining its capital adequacy ratio at a sufficient level. In formulating management strategies, the Company clarifies the business areas in which it actively takes risks based on its social mission.  Capital Management https://www.resona-gr.co.jp/holdings/english/about/capital/index.html Risk Appetite Framework p. 94				
Activity Metrics								
(1) Number and (2) value of checking and savings accounts by segment: (a) personal and (b) small business	Quantitative	Millions of yen	FN-CB-000.A	Since the index that the SASB recommends for disclosure takes into consideration the laws and regulations of the United States, we disclose alternative quantitative data based on the laws and regulations of Japan.  Consolidated Balance Sheet/Domestic Deposit (total of Group banks; as of March 31, 2024)  Individual: ¥38,730.8 billion  Corporate: ¥20,051.0 billion  For more details, please refer to the following PDF file and see "I. Highlights of Financial Results, 18. Domestic breakdown of individual, corporate and other deposits" (p. I-29). ### On Issuing This Integrated Report

This publication is an integrated report that aims to explain in a simple manner to all stakeholders the Resona Group's strengths and measures undertaken to create sustainable corporate value. Our hope is that, through this report, readers will understand the reasoning behind our goal of becoming the "Retail No. 1" Solution Group.

Also, forward-looking statements contained in this report are based upon certain assumptions that may be significantly affected by the following factors: fluctuations in domestic stock prices; changes in policies enforced by the national government and the Bank of Japan, as well as laws, regulations and industrial practices and their interpretations; the bankruptcy of a major corporation(s); changes in the economic environment at home and abroad; and other factors beyond the control of the Resona Group.

Accordingly, forward-looking statements contained in the report in no

way guarantee the Group's future business performance or the realization of other trends. Readers are advised that actual results may differ materially from these statements.

Financial data, non-financial data and other detailed information are available on our website

- The IIRC Framework issued by the IFRS Foundation
- Guidance for Collaborative Value Creation 2.0 issued by the Ministry of Economy, Trade and Industry GRI Standards
- SASB Standards

Period: FY2023 (April 2023-March 2024); The report includes some information on the Group's initiatives carried out in April 2024 and later.

Scope: Resona Holdings, its subsidiaries and its affiliates
