Capital and Business Alliance between JR West and Resona Group

Today, West Japan Railway Company (Head Office: Kita-ku, Osaka-shi; President and Representative Director: Shoji Kurasaka; “**JR West**”), Resona Holdings, Inc. (Head Office: Koto-ku, Tokyo; Group CEO, Director, President and Representative Executive Officer: Masahiro Minami; “**Resona HD**”), and Kansai Mirai Bank, Limited (Head Office: Chuo-ku, Osaka-shi; Representative Director and President: Shogo Harato; “**Kansai Mirai Bank**”) (hereinafter, collectively, the “**Three Companies**”) entered into a capital and business alliance agreement (the “**Alliance**”) for the purpose of promoting business collaboration towards revitalization of the local economy through JR West’s investment in Kansai Mirai Bank.

Evolve connections among people, communities, and societies. Stir the heart, drive the future.

Beyond Finance, for a Brighter Future.

Capital and Business Alliance for Regional Revitalization

– “Connecting” Transport, Lifestyles, and Finance and Creating a “Brighter Future” for Local Communities –

- 1 Creation of new financial experiences through “WESTER MIRAI BANK” (tentative name)
- 2 Further evolution of payment experience
- 3 Improvement of quality of lifestyles starting with city development

1. Background to and Purpose of Alliance

In recent years, against the background of demographic changes and advances in digital technology, financial services are expected to be provided beyond conventional boundaries and in a way that is more familiar, easier to use, and blends into daily life. At the same time, there is a growing expectation for initiatives to increase the value of life as a whole through collaboration with community-rooted infrastructure and services.

The JR West Group and the Resona Group (the “Parties”) have entered into the Alliance between the Three Companies to seamlessly connect transport, lifestyles, and finance in the Western Japan region, including the Kansai urban area, and to work on a new business model that contributes to the sustained development of the region.

In the Alliance, the Parties aim to establish a “BaaS and Payment Model for Regional Value Circulation” in which BaaS^{*1} and payment services are naturally incorporated into the daily routines of communities, such as daily transport and consumption, thereby connecting transport, lifestyles, and finance. By stirring people’s hearts and encouraging continued active actions, the Parties will revitalize the local economy starting from the Kansai urban area and Western Japan and contribute to the growth of the Japanese economy.

In order to realize this new way, the Parties will promote collaboration to create new financial experiences, further evolve payment experiences, and improve the quality of lifestyles along railway lines, leveraging the JR West Group’s abundant customer touchpoints and lifestyle infrastructure, as well as the Resona Group’s wide range of finance-related functions and knowledge.

*1. “Banking as a Service.”

2. Details of Alliance

□1□ Outline of Business Alliance

- (i) Creation of new financial experiences through new banking service “WESTER MIRAI BANK□tentative name□^{*2}”

The Parties will launch a new banking service “WESTER MIRAI BANK (tentative name) ” that will enrich transport and lifestyles in the Western Japan region, including the Kansai urban area, by promoting the saving and spending of money.

By linking the JR West Group’s abundant real touchpoints and assets, Resona HD’s ability to create excellent UI/UX, and Kansai Mirai Bank’s strong regional network, the Parties will provide new financial experiences through convenient, affordable, and enjoyable services for everyone.

*2. On the condition that JR West obtains permission to engage in banking agency business with Kansai Mirai Bank as its affiliated bank, the Parties aim to start the service during fiscal year 2027.

- (ii) Further evolution of payment experience

By utilizing the Resona Group’s digital infrastructure and the JR West Group’s payment services and point foundation, the Parties will promote initiatives towards further evolvement of payment experiences.

In addition to use of financial services provided through “WESTER MIRAI BANK (tentative

name) ,” the Parties will promote the “OSAIFU WESTER Project” that enables centralized management of account balances, charge balances, point balances, and payment histories, and seamless use of various functions, such as payments, remittances, and charges, by the best means within a single application.

The Parties will also utilize their business foundations and various data related to transport, life services, and finance, and jointly promote service development, sales promotion, etc. The Parties aim for a future where local communities are richer and more energetic by expanding the cases where points can be accumulated and used in daily transport and shopping, and by encouraging active economic activities of people who live and work, as well as shops and companies, in cities.

From now on, the Parties will proceed with preparations to establish a joint venture for promoting these initiatives.

(iii) Improvement of quality of lifestyles along railway lines starting with city development

By combining the JR West Group’s abundant customer touchpoints and know-how of development and operation of areas along railway lines, such as in-station stores and commercial facilities, with the Resona Group’s financial functions and knowledge, the Parties will expand cases where financial services can be used in daily life and consider and develop new services that connect housing and transport.

By promoting city development that leads to improvement of the sustainability of cities and local communities, the Parties will provide rich lifestyles along railway lines.

□2□ Outline of Capital Alliance

JR West will acquire 20,000,000 shares of Kansai Mirai Bank (20% of the total number of issued shares thereof; prior to the share transfer, the total number of issued shares of Kansai Mirai Bank will be 100 million shares through an allotment of shares without contribution) from Resona HD on the condition that permissions or other approvals are obtained from the relevant authorities (total acquisition amount of 90 billion yen). As a result, Kansai Mirai Bank is expected to become an equity-method affiliate of JR West.

Kansai Mirai Bank will continue to maintain its position as a member of the Resona Group and aim to further enhance its corporate value through a strategic partnership with JR West.

□3□ Comments from Companies

West Japan Railway Company

The Alliance is an initiative that serves as the beginning of the rapid growth of the life services field, as outlined in “Medium-Term Management Plan 2030.” We will continue to take on co-creation and challenges with the Resona Group, aiming to create new value that “stirs people’s hearts.”

Resona Holdings, Inc.

The Alliance is a new way of alliance strategy that the Resona Group has been working on, and it is also a developed form of a digital financial platform. We will contribute to the development of the Kansai area by combining our strengths in regional services, retail, and DX with the JR West Group’s strengths.

Kansai Mirai Bank, Limited

The Alliance is an initiative that is a challenge to create a new future as “A bank energizing Kansai.” As a financial institution that walks together with local communities, we will realize the potential of the Kansai urban area and contribute to social development that enhances the richness and vitality of customers and communities, with the JR West Group, which supports connections among people, communities, and societies.

4. Schedule

(1) Date of board of directors meeting of JR West	April 30, 2026
(2) Date of board of directors meeting of Resona HD	May 1, 2026
(3) Date of execution of relevant agreement	May 1, 2026
(4) Date of execution of share transfer	During FY2026 (scheduled)
(5) Commencement date of new banking service business	During FY2027 (scheduled)
(6) Date of establishment of joint venture	During FY2028 (scheduled)

5. Outlook

Resona HD expects to record a gain on sale of shares of an affiliate of approximately 40.0 billion yen as an extraordinary gain in its non-consolidated statement of accounts for the fiscal year ending March 31, 2027 as a result of the transfer of shares of Kansai Mirai Bank to JR West.

In addition, since the gain on sale relates to shares of a consolidated subsidiary, the gain on sale to be recorded in Resona HD's non-consolidated statement of accounts will be eliminated on consolidation.

While the Parties believe that this will contribute to improving the performance of the Three Companies over the medium to long term, its specific impact is currently under review, and the Parties will promptly make an announcement if any matters requiring disclosure arise in the future.

End
