3. Reasons

While Resona Holdings has set the target for the total shareholder return ratio at 50% or higher under its Medium-Term Management Plan, it has increased the DOE for Fiscal 2029, which is the target related to the dividends, from approximately 3.0% to approximately 3.5%.

Based on these targets, Resona Holdings has set the forecast for the dividends for the fiscal year ending March 2027 at 37 yen per share, an increase of 8 yen per share from the previous fiscal year, thereby accelerating the pace of the dividends increase. In addition, Resona Holdings will acquire its treasury shares in order to improve the capital efficiency and enable implementation of flexible capital policies.

Resona Holdings will continue to endeavour to enhance the shareholder return by steadily and sustainably increasing dividends and flexibly acquiring treasury shares.
