Announcement Regarding the Revision of Earnings Target for the Fiscal Year 2026

Resona Holdings, Inc. hereby announces that it has revised its consolidated earnings target for the fiscal year 2026 (April 1, 2026 - March 31, 2027), which was announced on July 31, 2026, as detailed below.

1. Revision of the Earnings Target

Consolidated Earnings Target for the Fiscal Year 2026 (April 1, 2026 – March 31, 2027)

		Net Income Attributable to Owners of the Parent
Previous target (Announced on July 31, 2026)	(A)	330.0 Billion Yen
Revised Target	(B)	340.0 Billion Yen
Change	(B-A)	+10.0 Billion Yen
Rate of change		+3%

2. Reason for the Revision

In addition to the solid performance through the first half, an increase in net interest income associated with the Bank of Japan's policy rate hikes and further progress in reducing policy-oriented stock holdings are expected. Accordingly, the consolidated earnings target for the fiscal year ending March 31, 2027 has been revised upward.

(Note) Earnings target reported herein are based on the data available as of the date of this announcement. Please be aware that actual results may differ from what is reported herein.
