**Notice Regarding AFC Merchant Bank (ASEAN FINANCE CORPORATION LIMITED)**  
**Becoming a Subsidiary of Resona Bank, Limited.**

Resona Holdings, Inc. (Kazuhiro Higashi, Director, President and Representative Executive Officer) (“Company”) hereby announces that Resona Bank, Limited. (Kazuhiro Higashi, Representative Director, President and Executive Officer), a subsidiary of the Company, at a Board of Directors meeting held on January 30<sup>th</sup>, 2017, resolved to purchase all shares of Singapore-based AFC Merchant Bank (ASEAN FINANCE CORPORATION LIMITED) (“AFC”) and to convert AFC into a wholly-owned subsidiary.

The acquisition of AFC shares is subject to the consent of AFC’s shareholders and the necessary approvals from related authorities and courts, among other things.

**1. Purpose of the Share Acquisition**

In addition to P.T. Bank Resona Perdania in Indonesia, Resona Group's Resona Bank has representative offices in five Asian countries and regions where many Japanese companies operate (Singapore, Bangkok, Ho Chi Minh City, Shanghai, and Hong Kong), and provides detailed support services that meet clients’ needs, including overseas expansion and solutions to the assorted local challenges they face. In addition, we have made business alliances with 14 countries and areas leading banks in the Asia region and the United States in order to supplement our overseas loan and foreign exchange services and other financial functions.

In recent years, clients coming to us for consultations regarding international operations, are

increasingly asking about the ASEAN region (“the Region”), and the nature of these consultations is wide-ranging. Under these circumstances, with an aim of providing an even more robust level of service in the Region and elsewhere, we have decided to convert AFC—located in Singapore—into a wholly-owned subsidiary.

AFC is a financial institution established in 1981 by major financial institutions in Singapore, Malaysia, Thailand, Indonesia and the Philippines for the purpose of infrastructure development in the Region; it possesses an established customer base and a wealth of local information in the Region. Going forward, Resona Group will work through AFC to conduct lending and M&A advisory operations and to provide other financial services from Singapore, a financial hub for the Region, and thereby expand our overseas services mainly to Japanese companies and our other clients operating in the Region and elsewhere.
